“ Alice was a smart and talented lady, always calm and positive thinking. One example, Lin was having a birthday party for Dave back in Sussex, NJ days. A friend & I drove up, but when we got there all the power was out in the area. So everyone followed Lin & Dave down to Alice's house at the lake. Alice loved it, welcomed us all and tried to organize us into a "Sweet Adelines" singing group! Didn't work out on the harmony too well, but she just laughed and enjoyed the moment! She was a joy to be around, and will be surely missed by all who knew & loved her!

“ I don't have a lot of specific memorable moments about Alice, she was my friends' mom and did mom stuff; probably had a few laughs with her, she laughed easily. I'll somehow always remember her sitting outside with her mom, speaking Portuguese. She was a good mother and grandma, but she was a good daughter first.
