“ I'll never forget the first time I met Brandy. We had the same bubbly personalities and we hit it right off. I always knew that I could count on her to be there for me. She was like a second mom to me. She could always light a room and make you laugh 'til you cried. Brandy was a light in so many peoples lives. Brandy you will be so missed by so many people. Brittney, Savannah and I love you and your mom will always be with you.

“ Brandy was such a beautiful person inside and out. I have always enjoyed working with her at Teleperformance, and a lot of the time I would always try to sit next to her, which happened often. We helped each other so much, and as teammates, I always made sure to go out of my way to work on her cases if she asked me to. She always had a way to make work more enjoyable.

Brandy was the type of person who if you just talked to once you just knew you wanted to be her friend. She always warmed-up a room and put smiles on the faces around her. She would always go out of her way to tell you to have a good day or if you looked nice; she went out of her way to make others happy.

She is going to be greatly missed by so many people. My family will be praying and she will always be in my thoughts.

“ I'll never forget my first day meeting Brandy at Cracker Barrel. She was so welcoming of the new girl who dropped a whole tray of glasses in the dining room. She stopped what she was doing and came to help. She said "don't worry sweetie, you're not family 'til you shatter some glass around here" and we were friends ever since. I enjoyed keeping in touch with her, and she always had something positive to say. I'll miss her dearly. The world needs more people like Brandy.

“ Brandy was one of the sweetest people you would ever meet. She had a way of putting people at ease and making them laugh with that wonderful sense of humor. I don't have one memory of her not smiling; she was a beautiful person inside and out. I can only imagine how she will light up Heaven! Keeping the family in my thoughts and prayers.

Your death has touched our lives and hearts dear friend, but the way you inspired us has touched us more. Fly High my Sweet Friend...

Lots of Love and Memories
