“ I just found out Della passed away. I met Della through work. We never met in person , but became great friends from talking on the phone and doing Skype. I have been trying to get in touch with her and I finally got the feeling something was wrong. I'm heartbroken. I miss my friend. She was honest, funny and a great loyal friend. Rest easy my friend....love ya girl...as we would always say.

“ To Billy, Sue, Connie and Christine,  
I am so sorry to hear about Della. I know she has been suffering for a long time. Sue would keep Vanessa and I updated and we would keep her in our prayers. I have told my other family members and they convey their condolences. She was such a beautiful soul. I remember us all playing together on Leona Street.  
May God Bless You and Keep you all during this time.  
Love and blessings to you

“ We will miss you dear friend. Sweet memories dating back to Junior High until now. Playing tennis in our High School years and those red Converse tennis shoes you loved so much. Sneaking hot dogs in our purses into the movie theater and trips to Kay's ice cream. Don & I are going to miss your phone calls. You have been a blessing in our life and all of the laughter you brought. Our deepest sympathy to your family.

“ Della was always nice to everyone. My prayers are with her family. It is tough to reflect on how long it has been since we visited and that I will miss her smile without visiting with her again.

“ Della and I were very good friends from the time I met her in Junior High. After graduation, we remained very close, but with my marriage and her move to Roanoke, it made things a little more difficult. She would always make a point to come and see me every time she came home for holidays. She was the sweetest, kindest, and most loving person that I've ever had the privilege to know. I will miss her greatly.

“ I have known Della from a happy child to a wonderful adult. I will miss her. To her family, I know words can't take away the hurt you're feeling, but I want you to know how much I care. Sending you love and strength in this time of loss.
