“ Some of my favorite times were spent visiting Evelyn, seeing her growing vegetables in her garden, and enjoying her cooking. I will miss her forever. Rest easy, she deserves it. I loved her dearly. Judie Mitchell Delano.

“ Evelyn I loved you so much and thought about you all the time. I'll always remember all the times I spent with you sitting at the table talking for hours and hours. Coming to clean your house while Homer was sick, I always loved helping you and your amazing potato soup and homemade pickles. I always miss you and always always will. You meant alot to me and you were always there for me. Now you and Homer are together again and I know that you are so happy and pain free. I love you dearly and will always miss you

“ Mamaw was a prayer warrior and loved God most of all. Sitting at the head of the table, asked her what she was doing, she said "waiting for the Lord". You are home now Mamaw.....I love you all. Prayers for peace and comfort.....love, that little girl.
