

Leslie Gayle Barclay

December 19, 1956 - November 26, 2019

Leslie Gayle Barclay, age 62, of Coeburn VA, passed away on Tuesday, November 26, 2019 at Select Specialty Care Hospital in Bristol, TN. She was born December 19th 1956, a daughter of the Late William and Mabel Peterson.

Gayle was a very loving and dedicated mother, grandmother, and foster mother. She worked most of her life as a foster mother and home caregiver to members of her extended family. She was at any place where there were those in need. She took care of children who were without role models or who just needed the comfort of knowing they were both loved and safe. None of her extended family ever had to spend a moment in doubt of whether they were loved or safe. The positive impact she has had on the lives of so many will continue on for years to come.

She is survived by her husband, Gilbert Barclay; son, William Strong; daughters, Shanna Huff and Sabrina Fletcher; seven grandchildren, and two great grandchildren.

The family would like to extend special thanks to the nursing staff of Select Specialty Care Hospital. They guaranteed Gayle's transition was comfortable with near superhuman empathy that reflects closely to how she lived her life, which was without fear and knowing she was loved.

Arrangements especially for Mrs. Barclay and her family have been made through Oakley-Cook Funeral Home & Crematory.

“ We grew up as cousins and neighbors, but I was lucky enough to be able to call you friend. Your love light will shine on forever dear cousin. You had so much love within your heart, and were so lucky that you found so many ways to show that love to so many people.

You have left family on earth, but you have joined so many more of our clan in heaven. I can only imagine the celebration as they welcomed you home.

You are missed and SO loved.
